California Lutheran University

Student Acknowledgement Form
For Students Dropping Below 12 Units During the Semester

Dropping below full-time student status impacts many areas of your student experience. Please read how this decision will impact you. Please note that this form only indicates implications related to CLU departments and does not include any possible non-CLU related changes. Once you have read everything below please sign to indicate your acknowledgement of the stated impact.

Student Name: _____ Student ID#: _____
Please print.

Residence Life –
If prior approval has not been obtained from the Residence Life Office, the student will be required to vacate their room assignment within 48 hours of dropping below 12 units. Students room and board fee will not be reduced.

Student Accounts –
If the withdrawal date occurs after the fifth week of classes, there will be no reduction of charges. Your account balance due CLU will be increased if Financial Aid returns any financial aid awards.

Financial Aid –
This will result in removal of all financial aid awards, with the exception of student loans. You will remain eligible for loans if enrolled in six (6) or more units.

Athletics –
Student-athletes will be immediately ineligible for playing and practicing their respective sport.

International Students –
Dropping below full time will jeopardize your immigration status.

Health Services –
Undergraduate students living off-campus must have 12 or more credits to be seen in Health Service and to maintain insurance coverage through the CLU student insurance policy.

I have read and understand the implications of my choice to drop below full-time student status (12 units) during the course of the semester.
