Major Requirements for B.A. or B.S. in Interdisciplinary Studies:

40 credits with no more than 30 from one department; 24 of these credits must be upper division.

Guidelines:

- The student, with the help of a faculty advisor, shall submit an application to the Director of the Bachelor's Degree for Professionals program. The application shall consist of a title page, a two-page rationale, and a list of all college courses in the major, listed under the respective departments.
- After approval of the application, the student will work with the Bachelor's Degree for Professionals' Associate Director who will assist the student and the faculty advisor in drawing up a contract.
- All contracts must be approved by the interdisciplinary majors committee and the Associate Provost of Academic Services & Registrar

By signing below, you agree to terms and courses proposed in the attached interdisciplinary major contract. After initial approval, any changes in the student's program must be submitted in writing to the committee for approval.
