

ADEP Academic Scholarship

ADEP Academic Scholarships will be awarded to students in the Adult Degree Evening Program who have demonstrated outstanding achievements.

These scholarships are not dependent on financial need. However, students with verified need in excess of the scholarship amount may qualify for additional sources of financial aid by applying at the Student Financial Planning Office.

Six nonrenewable merit scholarships for up to \$2000 each will be awarded every year to new degree-candidate students in the Adult Degree Evening Program (ADEP). Continuing, Special Status, and students attempting a second degree are not eligible.

Candidates must demonstrate outstanding academic achievement evidenced by a minimum transfer GPA of 3.0 with at least 30 transferable credits. Competitors must also submit a 1-2 page essay demonstrating superior writing skills. Essay subject matter may be focused on one of three designated topics.

If you would like to compete for an ADEP Academic Scholarship, proceed as follows:

1. Complete an Application for Admission to California Lutheran University's Adult Degree Evening Program. Official transcripts from all colleges you have previously attended must be submitted. You must be officially admitted to CLU before you can be awarded any financial aid or scholarships. Incomplete admission files could cause you to become ineligible.
2. Complete the scholarship application and return it to the ADEP Office as soon as possible. Scholarship applications must be received by the third week of the first term in which you are registered in the Adult Degree Evening Program. (The award will be applied to the recipient's tuition in installments over four terms.)
3. Submit a 1-2 page, typed, double-spaced essay. Choose one of the following topics:
 - a. Your personal goals and the role that education plays in achieving those goals.
 - b. An examination of career directions you are considering and an analysis of how clear or vague these aspirations are.
 - c. A statement of what you want to accomplish with your life and how you will measure success.

Winners will be selected for creativity, proper essay format, and correct use of the English Language.

4. Return the application and essay to:
