

# California Lutheran University

## PERSONAL STATEMENT

---

This Personal Statement is a part of the application process and should accompany your application for graduate study at CLU. Use this form or no more than two typewritten pages to describe why you want to obtain a master's degree, credential or certificate at California Lutheran University. This essay section of the application provides you with the opportunity to demonstrate writing competency and communication skills, specify examples of leadership, discuss career goals and provide any other pertinent information that will assist us in selecting persons who can most benefit from and contribute to the graduate program.
