A MESSAGE FROM YOUR ASCLU-G PRESIDENT ELECT

To my fellow students,

My name is ReShai LaShawn Tate and I am a soon to be senior here at California Lutheran University. For those who may not know me, I am South Chicago native, proudly affiliated with several student organizations on our campus including the Black Student Union, The Gay Straight Alliance, Not For Sale, and Feminism Is... to name a few. I am also a proud member of the CLU Choir, Presidential Hosts, and Community Service Center intern staff. Beginning May 1st 2009, I will have the great honor and privilege of serving as your 2009-2010 ASCLU President. As the official representative of all students on our campus, I fully intend to promote your ideas, needs and desires to the best of my ability. I will however, need your support this forthcoming academic year to achieve that goal. Together we will work to improve the relationships between you, the student body and your elected representatives, our university's executive leadership and the members of our surrounding community. Thanks in advance for your support – I am excited for the many things we will accomplish together as a united student body.

With Cal Lutheran Pride,
ReShai L. Tate, 2010
ASCLU President-elect
2009 - 2010
