Payment

Pre-registered students will be billed prior to the start of the semester. Refer to Cost and Payment Options brochure for payment methods. All payments must be received by the beginning of classes. Official registration is complete when fees have been paid.

Attendance

Course selections will be held through the second class meeting only. If you do not attend by the second class meeting, your space may be given to someone else. California Lutheran University reserves the right to cancel a course due to insufficient enrollments.

Change of Schedule

Students who have registered for a class must complete a "Change of Schedule" form at the Registrar's Office to drop the course from their schedule. If you use WebAdvisor, a confirmation that your registration has been accepted will be emailed to your CLUNET email address. If at any time, proof is required of a successful change to your enrollment, a copy of the email confirmation will be required. **You will not automatically be dropped for non-attendance. There will be a \$50.00 transaction fee charged for any Registrar approved change of schedule submitted after the deadline.**

Student Responsibility

The student is responsible for any changes in his/her registration and should make note of add/drop deadlines. Failure to officially withdraw from a class will result in a grade of "UW" (Unofficial Withdrawal) which is equivalent to a grade of 'F' in computing the grade point average. Official withdrawals after the start of classes are assessed a "W" grade. Change of program forms (drop/add forms) may be obtained at the Registrar's Office.

Fall 2011 General Information

Reduction of Charges

CLU does not automatically drop students from a class if they register but do not attend.

Students who withdraw from the University remain financially responsible for a reduced portion of their tuition and board charges according to the following schedule:

Tuition

1. Withdrawal during first and second week of the semester - 20% charge.
2. Withdrawal during third and fourth week of semester - 60 % charge.
3. Withdrawal during fifth week - 80% charge.
4. Withdrawal after the fifth week – 100% charge.

NOTE: A variation of this reduction policy may occur if the student has Federal Financial Aid. Also, excess proceeds from loans are not available until after the third week of classes.

Board

Board refunds are made on a proportionate basis computed from the date the student leaves campus.

Room

No refund is made for room once classes have started.

Fees

Other fees are not subject to refund.

PLEASE NOTE: All financial obligations must be met before academic records can be released. Registration for an upcoming semester will not be accepted until financial obligations are met for the previous semester.

Seniors

If you plan to graduate in May 2012 or August 2012, you must submit an Application for Degree card and a Major Checklist to the Registrar's Office by the posted deadline dates. The graduation fee is \$75 until the priority deadline and \$100 after the priority deadline

Foreign Language Proficiency Information:

All CLU students are required, for CORE 21, to meet the Foreign Language Proficiency in one of the following ways:

- By achieving a high enough score on a Language Proficiency Exam
- By passing two courses in the same language
- By passing one course at the second semester level

For further information contact the Academic Advising Center at 493-3260.

Math Placement

All CLU students are required, for CORE 21, to meet the Mathematical Reasoning Proficiency by passing Math 111, 115 or 126.

The appropriate SAT score determines placement into CLU math courses. (See pre-requisites for each individual math course offered in the schedule of classes)

For further information contact the Center for Academic Resources at 493-3260.

Global Perspectives

The Global Perspectives courses are listed in the Core 21 section under Global Perspectives. The Global Perspectives requirement is in effect for students who enter CLU Fall '04 or after with fewer than 30 credits. Students who entered CLU prior to Fall 2003 who have met the Global Studies requirement are exempt from the Global Perspectives requirement.

Humanities Tutorial

The Humanities Tutorial is a one-year team-taught interdisciplinary program for which students receive eight credits. This program is offered to qualified freshman or sophomore students regardless of major. Initial screening is made by the Admission office, with final acceptance being made by the instructors. See the course offering section of this schedule for Humanities Tutorial courses offered FALL 2010.

Schedule Changes

Schedule changes may be made through noon August 30th at the Registrar's Office. After August 30th, all schedule changes will take place during normal add/drop period. A wait-list procedure is available for sections that are closed. A student placed on the wait-list may be notified prior to final registration if space has become available in a class. It is the student's responsibility to add the class, even if space becomes available in a class. During the second week of the add drop period an instructor's signature is required for all adds.

A confirmation of your registration over WebAdvisor will be emailed to your CLUNET email address. If, at any time, proof is required of a successful change to your enrollment, a copy of the email confirmation will be required.

The University reserves the right to make changes to the Schedule of Classes. Changes of days, times and rooms as well as course cancellations and additions are posted in the Office of the Registrar and on our web site: www.clunet.edu/Registrar.
