What do you consider to be an important educational issue facing low-income and minority communities today?

---

---

---

---

---

---

---

---

---

---

Working with high school students can offer a variety of challenges. What do you think would be one of the more difficult things about working with a population of this age?

---

---

---

---

---

---

---

---

---

---

What tactics would you use to help a consistently underachieving student become motivated to achieve his/her personal potential?

---

---

---

---

---

---

---

---

---

---

Describe a situation where you worked with a team of people toward a common goal and your "role" within the team.

---

---

---

---

---

---
