Participating Providers

Participating physicians are independent doctors who practice at their own offices and are neither employees nor agents of Aetna. Similarly, participating hospitals are neither owned nor controlled by Aetna. Likewise, other participating health care providers are neither employees nor agents of Aetna.

Participating Providers are paid on a 'Discounted Fee For Service' arrangement. Discounted fee for service means that participating providers are paid a predetermined amount for each service they provide. Both the participating provider and Aetna agree on this amount each year. This amount may be different than the amount the participating provider usually receives from other payers.
