How to Drop a Course in WebAdvisor

1. To drop a course, log into the **MyCLU Portal**

2. Click the "WebAdvisor" tab at the top
3. Click "Students"
4. Click "Register for Sections"
5. Choose the registration option titled “Drop Sections”
6. At the top of your screen it will be titled “Register and Drop Sections”. It should look something like this:

- Towards the bottom of your screen you will reach the point where it is titled “Registered Sections.” This is where you are going to choose the course you wish to drop. You do so by clicking on the square to the left of your chosen course and clicking submit at the bottom.
Dropping a Course in WebAdvisor

California Lutheran University

Once you click “submit,” the chosen course will be dropped.
If you happen to have difficulty, contact the Registrar’s Office at (805) 493-3105.
