Welcome

California Lutheran University provides employment opportunities to students in order to enhance their educational experience, promote their involvement with the campus, and to enable the university to function in an effective and cost-efficient manner. Research shows that on-campus student employment between 10 and 15 hours per week contributes to completing your college goals.

The purpose of this Student Employment Handbook is to assist you with the procedures for acquiring a job on-campus. Additionally, guidelines for work etiquette, payroll, and job performance are outlined along with employment regulations.

Students desiring to meet educational expenses through part-time employment are encouraged and given assistance in locating employment opportunities. Ultimately, you are responsible for obtaining your own position on campus, and this handbook will help guide you through the experience.

Best of luck to you and please reach out to us if we can be of any assistance.

Sincerely,

Student Employment Coordinator/Career Counselor

Eligibility for Student Employment

Matriculated undergraduate and graduate students are eligible to work as student employees with CLU. Students who have graduated from Undergraduate or graduate programs will not be eligible for student employment.

To Work On Campus **Undergraduate & Professional Students** Must:

- Be enrolled at least part-time (6 units for undergraduate and 4 units for Professional) in the semester that which they are working
- Employment eligibility to work in the US
- For summer session, must be enrolled in the following fall semester (recent graduates may not work on-campus unless they are enrolled in a graduate program at CLU). Incoming students may begin working on the first day of the Fall semester.

To Work On Campus **International Students** Must:

- Have an F-1 Visa
- Obtain a social security card (see instructions on page 17)
- Be enrolled at least part-time in an undergraduate or graduate program

**Deferred Action for Childhood Arrivals (DACA)**

On June 15, 2012, it was announced by the Secretary of Homeland Security that certain people who arrived in the United States as children and who meet key guidelines may request for consideration of deferred action. Students who have been granted DACA will be issued an Employment Authorization card and a Social Security card. DACA students are eligible for any non-Federal Work Study funded positions.
Student Work Classifications

On-campus jobs are classified by five categories: **Campus Work Study** (budgeted and paid for by Cal Lutheran), **Federal Work Study** (paid for by the government through FAFSA), **Graduate Assistant**, **Resident Assistant**, & **Departmental Assistant**.

All students must apply online at [www.clupostings.com](http://www.clupostings.com)

Most positions are considered Federal Work Study eligible unless they are within the University Advancement Office (Annual Fund), Campus Ministry, Athletics, Events, or within a grant funded program.

In order to be considered for **FWS**, a student must:

- File a Free Application for Federal Student Aid (FAFSA) and be determined to have Financial Need
- Be enrolled part-time (in at least 6 units per semester)
- Be a U.S. citizen or eligible non-citizen
- Be compliant with Satisfactory Academic Progress (SAP)
- Not be in default on a student loan
- Submit all documents required by the Office of Financial Aid pertaining to Verification

Note: Students are unable to apply Work-Study earnings towards their tuition cost prior to earning the wages. Since FWS wages are earned during the course of the semester (and each student’s tuition bill is due before the semester begins) students should make other arrangements for payment.

**Maximum Hours**

All students, including international and graduate students, are allowed to work a maximum of **15 hours per week** when school is in session. Students may work more than one job on campus, but the total amount may only be 15 hours per week maximum. How to Submit a Timesheet

**Step 1:** Log into your “MyCLU”

**Step 2:** Select “WebAdvisor” from the menu on the left side of the page.

**Step 3:** Select “Students”
Step 4: Locate the “Student Payroll” section

Step 5: Select “Time Entry”
**Step 6:** Check the box that corresponds with the correct position, and click “Submit”. For students who have two on campus positions, make sure to repeat this process to submit your hours for both positions.

**Step 7:** Enter your “Time In” and “Time out” in the corresponding boxes for ALL the dates that you worked in that time period. Note AM or PM is required. Example: “11:45AM” or “3:30PM”.
NOTE: Sick hours are entered in the “Sick Hours” column for the amount of hours that you were scheduled for that given day. For example, if you were scheduled to work from 1:00PM-3:00PM you would simply put a “2” in the “Sick Hours” column in the box for the day you were sick.

NOTE: If you took a break during your shift or worked two separate shifts in one day, simply record your “Time In” and “Time Out” for the time you that were at work in the second box for that day. For example, if you worked from 9:00AM-11:30AM and then again from 2:45PM-5:00PM it would look like the example below. * **You are required by law to take one 30 minute break for a shift with the duration of 6 consecutive hours, WebAdvisor will not allow you to submit a time sheet that does not follow this criteria.
**Step 8:** Scroll to the bottom and check the box to submit your time sheet to your supervisor. Then, hit “save”. Time can be entered as frequently as you desire during the two weeks as long as you click save at the bottom. However, your time sheet will not be submitted until you check the box before saving. **This service is not mobile device friendly; students often have difficulties checking the box on a mobile device in this step and it is recommended to use a computer when submitting your time sheet.**
