Caution: Summer International Travel

The pandemic makes traveling outside the U.S. with plans to return a bit uncertain. Therefore, we are not recommending travel outside the U.S. at this time. But if you must travel, be sure to:

- Submit the mandatory [Intention to Travel Form](#) to obtain a new travel signature from OISS.
- Request a new travel I-20 or drop your current I-20 off at the CGE for a travel signature & pick it up 2 days later, or have the I-20 sent by email or regular U.S. if time permits.

**Important notice:** The earliest you can return to the U.S. for the fall term from abroad is 30 days before the fall term begins.
Fraud Advisory Using SEVP Numbers

The Student and Exchange Visitor Program (SEVP) has been made aware of a spoofing scam. Fraudulent callers are claiming to be SEVP representatives and asking students to provide their immigration information, such as their Alien Registration Number or Form I-94, “Arrival/Departure Record,” information, or face deportation. If you are a victim of this spoof call, you are encouraged to report the incident to the HSI tip line. If you are unsure about the validity of a call, please reach out to international@callutheran.edu.

NEVER divulge personal or financial information to unknown callers. SEVP officials will NEVER ask stakeholders to provide credit card numbers, or bank information.
